Laerskool Mikro streef al vir die afgelope 53 jaar lank na die bogenoemde. Hier is ook die Engelse weergawe daarvan en dit is reeds op ons elektroniese kennisgewingbord voor die skool sigbaar. We are glad to inform you of the English version of our school's motto. We will be using it in all our future communication where applicable.

We want to thank the Grade R parents, Sanet Nel, the Kos@Mikro committee and MK50 team who worked at the stalls at our athletics meeting this past Saturday. We also appreciate all parents who attended the event to support our athletes. Those who have qualified will take part in the district meeting on Monday, 3 February 2025. I want to thank our sports office as well as our ground staff for all the preparations. A word of thanks to all staff members, parents and others who acted as officials.

Ondersteun asseblief vir MK50 met komende Vrydagaand se gesinsdag en potjiekoskompetisie. Ons sien uit na 'n heerlike gesinskuier. Please support the family day and potjiekos competition on Friday.

Best wishes for the rest of this week!

MK50 wil graag al die onderwysers en ouers bedank wat so hard gewerk het om die dag 'n reusesukses te maak! Julle samewerking en harde werk het verseker dat alles seepglad verloop het.

'n Groot gelukwensing aan Armandt Nortjé en sy span vir die uitstekende beplanning van die dag se veld- en baan aktiwiteite. Dit was 'n briljante idee om beide op dieselfde dag aan te bied en was 'n groot sukses.

Belangrike herinnering aan ouers:

Ons wil almal daaraan herinner dat elke leerder hulle "Lunch Card Starter Pack" ontvang het. Ons versoek ouers om asseblief te registreer sodat hulle kinders die kaarte by die snoepie kan gebruik. Dit is 'n veilige en gerieflike manier vir hulle om items aan te koop en dit gee ouers 'n slim manier om die aankope te monitor en te beheer. Ons wil beklemtoon dat die gebruik van die kaart nie verpligtend is nie; ons aanvaar steeds kontant en bankkaarte. Hierdie hulpmiddel is daar om ouers te help en sake vir almal te vergemaklik. Leerders van wie daar nog nie "Lunch Card" foto's geneem is nie, se ouers sal in kennis gestel word van die datum. Laat weet asb. die skool indien u kind nie sy/haar Lunch Card ontvang het nie.

Ons sien baie uit na die opkomende Potjiekos Gesinsdag. Hou asseblief MikroKlub 50 WhatsApp-groep en jou klas se WhatsApp-groep dop vir verdere inligting.

Dankie vir jul ondersteuning om ons skoolgemeenskap sterk en suksesvol te hou!

Saam maak ons 'n verskil!!!

We would like to express our gratitude to all the teachers and parents who worked so hard to make the day a huge success! Your cooperation and dedication ensured that everything ran smoothly. A special congratulations to Armandt Nortjé and his team for the excellent planning of the day's field and track activities. It was a brilliant idea to host both events on the same day, and the organization was spot-on!

Important reminder to parents:

We would like to remind everyone that each learner has received their "Lunch Card Starter Pack". We kindly request parents to register so that their children can use the cards at the tuck shop. This is a safe and convenient way for them to make purchases and it offers parents a smart way to monitor and control spending. Please note that using the card is optional and we still accept cash and bank cards. The card is simply there to make life easier for parents. We will notify parents when photos will be taken of new children or those who were absent. Please inform the school if your child didn't receive his/her Lunch Card.

We are also looking forward to the upcoming Potjiekos Family Day. The MikroKlub 50 WhatsApp group and your class WhatsApp group will keep you informed.

Thank you for your continued support in keeping our school community strong and successful.

Together, we make a difference!!!

Regards MK50

Ons wil graag hierdie suksesvolle aksie voortsit en in die proses ook ouerbetrokkenheid bevorder. Ons het egter elke ouer se hulp nodig en het besluit om spesifieke grade en sportspanne aan 'n spesifieke sportdag te koppel. Raak asb. deel van die Mikro-familie en bied u hulp aan!
