Ons o.12 A-netbalspan was verlede Vrydag by die Wes-Kaap Skolenetbal se uitspeelwedstryde betrokke. Alhoewel hulle nie al hul wedstryde gewen het om te kon kwalifiseer vir verdere deelname nie, het hulle goeie deursettingsvermoë getoon. Ons is ook dankbaar vir hul afrigters vir ure se ekstra oefening en hul ouers wat hulle deurentyd ondersteun het.

On Friday our u.12 A netball team took part in the final play-offs to determine the Western Cape winners in their age group. Although they did not win all their matches to qualify further, we are proud of the perseverance they showed. We would also like to thank the coaches who put in extra practice time as well as the parents for their support.

Tans is die Wes-Kaapse Onderwysdepartement nie op datum met die finalisering van departementele aanstellings nie. Dikwels is daar ook nie duidelikheid waarom aanstellings nie gemaak word nie. Juf Daniëlle Louw (gr. 7.4), wat aan die begin van hierdie kwartaal by ons begin het, sal gevolglik in 'n beheerliggaampos by ons aanbly tot aan die einde van hierdie jaar. Ons wens vir haar sterkte toe met haar taak as deel van die graad 7-groep.

Currently the Western Cape Education Department is struggling to finalise appointments and unfortunately there are also uncertainty as to why some appointments are not made. Ms. Daniëlle Louw (gr. 7.4) who started at Mikro at the beginning of this term, will stay in her current governing body post until the end of this year. We wish her all of the best for the rest of the year.

Die beheerliggaam het op hul vergadering van 27 Mei 2025 'n nuwe gesondheidsbeleid goedgekeur. Die beleid is op die skool se webtuiste (www.laerskoolmikro.co.za) geplaas waar u dit kan bestudeer. The governing body adopted a new health policy on their meeting of 27 May 2025. It was also placed on the school's website (www.laerskoolmikro.co.za) for you to consult.

Voorspoed vir die week.

BEHEERLIGGAAM / GOVERNING BODY

GR. R-PARKIE / GR. R PLAYGROUND

Die Infrastruktuurkomitee is verheug om te rapporteer dat die Graad R-speelpark 'n broodnodige opknapping ontvang het. Vrot houtplanke en pale is vervang, gebreekte pale en boutte is vasgemaak en die swaaie is weer sterk en veilig. Die area is nou heeltemal veilig sodat ons jong Mikro-maats weer met gemoedsrus kan speel en leer.

The Infrastructure Committee is pleased to share that the Grade R play park underwent a much-needed revamp last week. Rotten wooden planks and poles were replaced, broken joints repaired, and the swings are once again sturdy and safe. The area is now completely secure, ready for our youngest Mikro learners to play and explore with confidence.
